Physics of the Prophecy: The Third Trumpet (Paperback)

By The Prophet Andrew the Prophet, Andrew The Prophet

iUniverse, United States, 2009. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The normal inclination of man is to demand for the proof of that which is proposed. But this characteristic is not a fault of man, for the truth is what all men should strive to obtain. And the proposition that I shall expound upon, is based upon the foundation of physics, that a proposition should be supported by the evidence which exists. For physics is the science of matter and its motion, as well as of space and of time. Physics is defined as the science which deals with the concepts of force, energy, mass, and charge. For physics is derived from the Latin word physica, which means the study of nature. Thus physics is founded upon the objective analysis of nature, conducted in order to understand how the universe around us behaves. And my proposition is expounded upon that which physics is founded upon. For it is the study of matter and its motion, as well as of space and of time, which objectively proves the existence of God. For the world in which we live in,...
