It tells the story of God saving man from slavery. Sometimes God has to go to incredible lengths to reveal his power, but it s all worth it because he hears the cries of his people and he has to do something. God s power could be revealed through incredible earth-shattering miracles in the most powerful nation on earth or through a simple burning bush in the middle of nowhere to a lowly shepherd. God s power is found in His words and promises. There is also power in God s commands. He wants us to live a righteous life so outsiders can understand a righteous God through his people. God saves us from our slavery today. Not through a lamb sacrificed on a mountain, but through a son who was the Lamb of God that died to take away the sin of the world. Exodus sets the stage for Jesus Christ who frees us from the bondage of sin. Exodus reveals to us the heart of God through his commands for a righteous life. We are expected to be like God and his rules show us what God values. To follow the rules is to follow God because we want to be like him. In Exodus we see a way out of our slavery and sin. PRAYING THROUGH THE BIBLE SERIES What is God s word? Simply put, it is the word of God spoken to people long ago who transcribed that information into writing. That writing was meticulously passed down for thousands of years to speak to us today. How did God speak to people in Bible times? Audibly - God spoke...
