The Effect of Water on Rock Powders (Classic Reprint) (Paperback)

By Allerton S Cushman

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Effect of Water on Rock Powders Sir: I beg to transmit herewith for your inspection and approval the manuscript containing the data secured in the study of the effects of water on rock powders, and to ask that it be printed as Bulletin 92 of this Bureau. This manuscript contains data of great practical interest in connection with the selection and treatment of materials for road building. It also presents facts of practical application respecting the chemical reactions which go on in finely ground material derived from rocks and certain artificial products. The illustrations are necessary to the proper elucidation of the text. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
