### *Reviews*

*This book will never be straightforward to start on looking at but extremely exciting to read. I actually have read through and that i am sure that i am going to gonna go through once more again in the future. I am happy to explain how this is the very best book i have read through in my individual lifestyle and may be he best publication for at any time.*

IVREA, 2013. soft. Book Condition: New. ESPERADISIMO BEST SELLER!!! Yuki Amano era originalmente un solitario observador de todo lo que lo rodea, dedicado a escribir cada cosa que veía en un diario personal en su móvil, y en sus momentos de soledad hablar con el dios del tiempo y el espacio. Ahora ese diario de repente empieza a reflejar por adelantado los sucesos de hasta 90 días en el futuro, y a la fuerza Yuki descubre que está obligado a participar en una competición de supervivencia en la vida real. Existen otras once personas con diarios similares al suyo aunque con características diferentes que, así como el de Yuki, otorgan ventajas y desventajas. Quizá las reglas de este juego del diario sean simples: los participantes tienen 90 días para encontrar y asesinar a los otros participantes, y quien sobreviva se convertirá en el nuevo dios del tiempo y el espacio. Pero el desarrollo es todo lo contrario: un mundo en el que es muy difícil confiar en el otro, donde cada personaje parece más desquiciado que el otro, donde la desesperación da lugar a acciones extremas.
