Dimensions: 9.0in. x 6.0in. x 0.7in.Can we reconcile our faith in light of current understandings of science and the possibilities of studying other faiths and cultures today Does faith allow for new insights Is our faith an ongoing journey Dare we love God and our neighbors while incorporating new understandings Holy Humanity answers all these questions with an unequivocal Yes! Here I think is the immense contribution of Holy Humanitythe integrity of the material order and its inherent spirituality. The relationship of and with God is deeply inscribed within this order, but we do not and cannot see it because we still see creation through the lens of violence and its many destructive forms. We can be grateful to Jim Foster for helping correct this brutal lens with all the skills of a master optician. --Tony Bartlett, author of Virtually Christian: How Christ Changes Human Meaning and Makes Creation New. Michele Foulk, spiritual companion and God-seeker, shared this assessment: All too often, our perceptions of God are limited by the box we try to fit Him into. This book offers perspective and knowledge from many sources across time and religions along with a continuum for opening our minds and hearts to God. The author has indeed drawn on a wide range of sources from science and religion and history to make the case that we all really are made of God stuff and bear all the innate characteristics of divinity. He has from science discerned these characteristics in our evolutionary history, in the miracles of our biology, and in the quantum reality of our material being. Theologically, he has explored the meaning of soul as that-which-is-of-God in us, and has argued that our...
