Boldly Writing: A Trek Fan and Fanfiction History, 1967-1987 (Paperback)

Filesize: 2.3 MB

Reviews

A top quality publication along with the typeface utilized was intriguing to read through. It is amongst the most awesome pdf i have got read through. Its been developed in an remarkably straightforward way and it is only right after i finished reading this publication in which actually altered me, modify the way i believe.

Createspace, United States, 2003. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Before the Internet, before the home computer, at the dawn of the era of VCRs, Star Trek fans were making history. In Boldly Writing, Joan Marie Verba chronicles the development of Star Trek fanfiction, Star Trek conventions (the first Star Trek convention may not be the one you re thinking of), Star Trek clubs, and Star Trek revival efforts. Boldly Writing tells how the term Mary Sue came into being, and follows the fan and fanfiction discussions and controversies of the era. At a time when fan communication was conducted largely through the mails, and fanfiction circulated through fanzines printed on spirit duplicators and mimeographs and offset printers, Star Trek fans created a lively and active fandom that continues today. Joan Marie Verba brings back to life the heady days of Star Trek fandom, chronicling the fight to revive the original series and detailing the controversy and the gossip that fueled the first twenty years and gave birth to generations of wonderful poets and writers. I couldn t stop myself from dipping into this fascinating history. -Siddig El Fadil/Alexander Siddig, Star Trek: Deep Space Nine Thank you for your Boldly Writing. I found it most informative, especially in light of where [the] Star Trek fanzine is now. It s come a long way. Congratulations and continued success. -Andrew Robinson, Star Trek: Deep Space Nine Yesterday . the galley proofs to Boldly Writing by Joan Marie Verba arrived in the mail . I had no idea her fanzine history was such an ambitious work. I advise any Star Trek fan who wasn t around in 1969 to order a copy . She has taken the amorphous welter of material...
