Brand New Book ***** Print on Demand *****.From the Introductory: MASONRY, or more properly speaking, Free Masonry, unlike Christian organizations, takes to its mystic altar the rough Ashler - the rough stone out of the quarry - and by its esoteric working tools, fits it for the more noble and glorious design of the Great Master Builder. It is really a wonder, even to its adversaries, that it should have such a world-wide membership, and. accomplish so much in relieving the distressed in every nook and corner of the earth, and not become either Political, National or Sectarian. Its rituals carry the initiated back to the greatest display of architecture ever found in any age...
