Chase Enterprises Publishing, United States, 2015. Paperback. Book Condition: New. 178 x 111 mm. Language: English . Brand New Book ***** Print on Demand *****.What will you find behind the red door? Will it be humour? Or will it be horror? Will you find stories both modern and fictional or will you find the end of the world? Perhaps it will be all theses things and more. Because if there is one thing you can say about author Clayton Clifford Bye it is that he loves to jump from one genre to the next. His writing is eclectic, his style as variable as his stories and the content is consistently 5 out of 5 stars. So, come . walk with him through the red door into places you would never have imagined and that will give you reason to pause and think and feel. Come . Open the door.
