Brand New Book ***** Print on Demand *****.Straw Bale Gardening for Beginners: How to Grow Vegetables and Herbs without any Digging Looking to try straw bale gardening but not sure that it s the right solution for you? When I began looking into straw bale gardening, I had a lot of questions about the techniques used in this type of gardening. Would vegetables and herbs really grow in straw? Is straw bale gardening as easy as it sounds? We usually think of gardening as planting seeds directly in the ground, then weeding them carefully all throughout the growing season. When we tell someone we re about to start a garden, the likely response is Wow, that s a lot of work! I was fascinated by the idea that it might be possible to grow lots of vegetables at home, save money on groceries, and not do much work at all while meeting my goals, so I started growing things in straw bales. Some things grew well, while others did not. Along the way, I learned how to make simple straw bales produce a bumper crop...
