THE PRODIGAL

DOWNLOAD

Faber, 2006 9780571226528, 2006. Soft cover. Book Condition: New. NEW paperback. 105 pages. The blurb tells us "The Prodigal is a journey through various landscapes.But always in 'the music of memory, water' abide St Lucia, the poet's birthplace, and the living sea.Here, the wanderer fears that he has become tainted by his exile.that his craft is rooted in the betrayal of the archipelago to which nevertheless he is impelled to return". The poems are all untitled, which adds to the sense of rootlessness. A profound collection from the 1992 Nobel prizewinner.
