Unquestionably, this is actually the very best work by any article writer. It usually does not price a lot of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Its gifts, endowments, historic and physical position, political, economical, educational, and religious circumstances and opportunities are, in character and sum, so vast, peculiar, emphatic, and providential, that they must either prove a mighty pedestal, lifting America to an unparalleled glory, or a stone of wrath, falling upon our heads and grinding us to powder. There can be no doubt that for five and twenty years past, to say the least, the American people have been making greater progress in every thing else rather than in morals and piety. They have advanced immensely in area, agriculture, manufactures, commerce, wealth, and power! The triumphs of their ships and their iron-roads, their canals...
