SIMON SCHUSTER, United States, 2006. Paperback. Book Condition: New. Reprint. 211 x 122 mm. Language: English . Brand New Book ***** Print on Demand *****.When renowned novelist and poet Reynolds Price, one of Christianity s most eloquent outlaws, was invited to deliver the annual Peabody Lecture at Harvard University Memorial Church in 2001, he chose to explore a subject of fierce debate and timeless relevance: the ethics of Jesus. In two succeeding lectures at the National Cathedral and at Auburn Seminary, Price continued to explore the apparently contradictory ethics that Jesus articulates in the Gospels; and in a controversial act of artistic license, Price reimagined the historical Jesus. In A Serious Way of Wondering, Price expands these lectures to present Jesus with three problems of burning moral concern -- suicide, homosexuality, and the plight of women in male-dominated cultures and faiths. A sweeping view of the inescapable implications of Jesus merciful life and all-embracing thought -- and of the benefits of enlarging our notions of humanity, community, and equality -- A Serious Way of Wondering is a significant contribution to Price s penetrating works of religious inquiry.
