Redirecting the Out-Of-Control Child: Eliminate Defiance Talking Back Without Using Punishments, Time-Outs, Behavioral Plans, or Rewards! (Paperback)

Filesize: 2.49 MB

Reviews

This ebook is definitely not straightforward to start on looking at but really enjoyable to learn. It usually will not charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

In-Home Parent Coach, LLC, United States, 2011. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Because the educational system only teaches children reading, writing, and arithmetic to solve their problems, children are not learning the basic social, emotional, or behavioral skills to help them cope with life and form relationships. Along with the education system failing to teach children these skills, parents are not taught how to handle it when their child becomes violent, aggressive, or out-of-control. Parenting is also extremely challenging for the following three reasons: 1) Parents are usually responsible for raising one to five children within their lifetimes. By the time adjustments are made and parents have a better understanding of handling out-of-control behavior, their children have moved out and become adults. 2) There is no course or curriculum on how to handle out-of-control behavior during the most common daily routines (i.e., getting dressed, breakfast time, getting out of the house on-time, dinner time, bath-time, bedtime, getting along with siblings, etc.). 3) No child comes with an instruction manual. Redirecting the Out-of-Control Child has been created from the overwhelming need for parents to have the necessary skills to handle their children s most difficult and out-of-control behaviors. From managing tantrums, to limiting acting out, or even violent behaviors, parents will learn step-by-step how to drastically shorten the weeks (sometimes months or even years) it takes to restore order in the home, strengthen the bond between parent/child, and reconnect with your child-tonight!.
