China Unveiled: Insights into Chinese Strategic Thinking

By Jayadeva Ranade

KW Publishers, New Delhi, India, 2013. Hardcover. Book Condition: New. Dust Jacket Condition: New. First Edition. This book seeks to afford an objective, incisive insight into China. Written by a veteran Indian analyst with over 25 years of experience monitoring developments relating to contemporary China, it is an attempt to inform and promote understanding of Chinas policies and actions and, especially, the implications for India. The 32 essays that comprise the book present a comprehensive tour de horizon of present-day China ranging across a variety of subjects. Each of the aspects touched upon have direct relevance for the international community and particularly for India and the Asia-Pacific region. The first section deals exclusively with Chinas currently evolving internal political situation. The outline sketches of Chinas two top leaders suggest their personalities influence Beijings policies and that Chinas domestic and foreign policies will undoubtedly bear their imprimatur. Other articles examine the equally important and rapidly evolving political scenario in China, especially concerning the selection of cadres to the Chinese Communist Partys highest echelons. The absence of veteran leaders of pre-eminence and unquestioned authority has accentuated competition within the Chinese Communist Party and indicators of potential discord, like the political upheaval involving...

Reviews

Here is the finest publication we have read right up until now. It is actually writter in easy words instead of difficult to understand. Its been written in an remarkably easy way in fact it is only right after i finished reading this book in which basically changed me, modify the way i really believe.
