When the harvest starts in Lancaster County, it signals time for school to begin. Children help gather the fruits and vegetables from the gardens and prepare the one-room schoolhouse for the first day of school, and Elva loves it all! One day Elva and her classmates plan a secret "food roll" to bless Teacher. They try their best to hide their giggles but erupt with laughter as Teacher shows her surprise. Then when her fifth-grade arithmetic lessons get Elva down, her brother suggests the perfect way to forget about her troubles - for a while anyway. And when the beautiful harvest moon is at its fullest, Elva steps quietly through the rustling corn fields to listen for .for what? What is it that makes Elva love autumn so much?.
