Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Furniture Designing and Draughting: Notes on the Elementary Forms, Methods of Construction and Dimensions of Common Articles of Furniture This book for the use of students, architects and others who at times find it desirable to make drawings for furniture, has been prepared from material collected during an experience of some years as a designer of furniture for several of the most important furniture-makers in New York City. It is assumed that a knowledge of how projection and perspective drawings are made has been obtained, and that the general principles of design and ornamental forms are familiar to the reader. It describes methods of construction as far as they relate to draughtsman s work, but stops there, for it is not the intention to make this an instruction book for those who wish to become cabinet-makers. The man at the bench may, however, find the parts relating to designing of interest even though the practical details are already known, and seem to him incomplete because many mechanical matters that he realizes are necessary in making...
