They laughed and they learned-its a perfect combination. I highly recommend it. Myrna Beebe Simple and sweet, this counting book is especially fun in the spring months when children may be coloring eggs for Easter. The silly rhymes make it a very quick read while reinforcing counting and numbers, one - ten. Darin Pope This book is a terrific read, especially when your little one is learning to count. Although it s an Easter book, it didn t stop me sharing it with my grandchildren after then because of the lovely bright illustrations and the clever rhyme. It has great big numbers that are easy to see on a tablet or Kindle - which to me really helps when I have a grandchild sitting either side of me! Ann T. Counting to Ten and Sharing My Easter Eggs is a fun and beautifully illustrated book for children who want to learn to count. The book starts off with a little girl who is looking forward to Easter and has been given a basket of eggs to share with her friends. This leads on to some fun rhyming as we are introduced to each of her friends who are given a specific number of eggs. Children will be captivated by the amazing images in this book and will love the fun rhymes on each page. This will be ideal for bedtime and pre-schoolers who are learning to read and count.
