iUniverse, United States, 2007. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Liz Lally didn t know that Tom was a cartoon character when she agreed to marry him-but their honeymoon, more than forty years ago, was a good first indicator. Liz s groom had neglected to make reservations and ended up taking her to a run-down hotel with prostitutes prancing at the front door. That was just the beginning of Tom s morph from Liz s Prince Charming into the goofball cartoon character everyone knows him to be today. Here, Liz delivers laugh-out-loud, true tales about sharing a home and raising a family with a quirky man who lives by a logic all his own. Wives everywhere will commiserate when Liz awaits an intimate anniversary celebration for two as her husband coordinates a golf trip for twenty, yearns for the handyman-husband who walked through their new house decades ago and planned all the remodeling projects he d accomplish (Tom s first, the playroom, is still under construction; never mind that the kids are all grown and out of the house), and tries valiantly to parent three children with a man who can barely care for himself. These are the sometimes perplexing, usually hilarious, always endearing antics of a true American character-and the wife who loves him anyway.
