The Error of Aristotle (Paperback)

By MR Daniel J Shepard

Createspace, United States, 2011. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.Aristotle divided the universe into incremental layers of distance heading outward from a center. As such humankind became confined to the limits of a system. We are an amazing species. Confining humanity to the restrictions of a closed space does something to humanity s psyche. It does not matter if the confines are physical or abstract, the results are the same. Confinement generates an overpowering need to escape , to once again breath the air of expansiveness, to breath the air of freedom, to breath the air of the open spaces , to journey unimpeded. The closure of the system was not necessarily a negative development. Aristotle moved humanity in the direction of understanding our universe as a physical entity. Aristotle s perceptions allowed science to evolve as just that, science. The development of science provided the means by which we could understand what lies within the system . Our problem as a species, however, does not exist with understanding what lies inside Aristotle s system but rather understanding what lies outside Aristotle s system. Multiple philosophical paradoxes...
