Brand New Book ***** Print on Demand *****.An except from the INTRODUCTION by Ernest Boyd. The style of M. Ramuz is coloured by this inevitable Protestant influence which is so unlike the movement of the French prose of France. Add to that his deliberate cultivation of popular Swiss speech, which has a harshness and a lack of grace at times intolerable to the ear accustomed to the finely polished instrument of cultured French. His critics have not hesitated to warn M. Ramuz of the risk he incurs of forgetting the definite limitations of his method, and passages of great slovenliness have been cited against him. In this respect his last four volumes show him to be impenitent, but they have marked a new phase in his development. One prefers the human tragedy of Aline to the mystico-religious study of the miracle-working Marie, who takes to herself the diseases of the village, until the unsympathetic authorities remove her to hospital. In Les Signes the author essays to give the air of mysterious portents to the threat of two sinister events, which throw their shadow over a prosperous community in war time. The...
