Reviews

Here is the finest publication we have read right up until now. It is actually writter in easy words instead of difficult to understand. Its been written in an remarkably easy way in fact it is only right after i finished reading this book in which basically changed me, modify the way i really believe.

Brand New Book ***** Print on Demand *****.Excerpt from Mining Law of the United Estates of Mexico The mineral combustibles: oils and mineral waters; the rocks of the ground in general, whether they serve directly or form part of materials for construction or ornamentation; the matter which forms the ground, as earths, sands and clays of all kinds; the mineral substances excepted from concession in Article 3 of this law and generally, all those that are not mentioned in the same. Superficial or subterraneous excavations which the working of any of these substances may require, shall always be subject to the regulations which are decreed for order and security in the mines. Art. 5. Legally acquired mining property and that which in future will be acquired in accordance with this law, shall be irrevocable and perpetual as long as the Federal property tax has been paid, in accordance with the regulations of that law by which said tax is established Art.6. The newly acquired primordial mining title will be given by the Department of Development according to the regulations of this law. Art. 7. Mining property, except in the case of placers and superficial ore bodies, is understood to be only underground and does not include the surface, which continues under the dominion of its owner, except that part of the same which the miner has to occupy in the cases and under the conditions mentioned in Art. 11 of this section. Art. 8. The taking out of produce from a mine is completely limited by the respective boundaries and only can these boundaries be passed in accordance with the provisions of the Regulations, when the ground is unoccupied and after previous request for...
