Professor Odd: The Slowly Dying Planet: Professor Odd #2 (Paperback)

By Goldeen Ogawa

Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Alister Bane is an ordinary, average, everyday college student who has just embarked on an adventure of extraordinary proportions. Compelled to flee his home universe by circumstances beyond his control, he finds himself in the company of the insatiably curious Professor Odd, a tentacle monster named Dave, and a talking dog. Together they travel the multiverse in the Professor s trans-dimensional ship, the Oddity, with Alister along for the ride. In The Slowly Dying Planet the Professor s quest for pizza takes them to the strange world of Niatano, where the sun is red, the people are feathered dinosaurs, and everyone speaks Italian. Oh, and they are in danger of being killed by robots from outer space. No one is getting any pizza until that is sorted out. The Slowly Dying Planet was first published electronically in 2011. It is the second in a series of novellas chronicling the travels of Professor Odd and her wayward companions.

Reviews

This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).
