Chicago Review Press, United States, 2016. Paperback. Book Condition: New. 215 x 140 mm. Language: English . Brand New Book. This collection of twenty-six dark but often humorous short stories features a pantheon of disturbed and disturbing characters, human and otherwise. Many of the stories are modern takes on classic monsters crafted with twisted plots. For example, Wolfman and Janice is about a werewolf who is doing the best he can under very trying circumstances, especially when confronted with eating his elderly neighbor s cat. There s an adolescent vampire-wannabe who is suffering badly: in love for the first time. Frankenstein and His Mother is a terrifying story of a grown man who wears a Frankenstein mask and lives with his mother watching TV and eating corn chips all day while being afraid of work. Dracula s Daughter turns a pretentious hippie into an honest ghost. And Bigfoot lonely, sexually frustrated tells all. Other stories feature characters who seem perfectly normal until they re alone. Phil, for instance, is never so happy as when he s with his inflatable girlfriend Vanessa until she tells him the devastating truth about himself. Elderly Ellen is running out of patience with her dead husband George, who s turned prankish. Bob and Todd tells the story of a hitchhiking ride gone bad that will have readers squirming in their seats. More than just standard monster stories, the tales in But You Scared Me the Most reveal much more about about human nature and will appeal to a wide range of fans of smart, funny short fiction.
