Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.If Nature is infallible, there should be some philosophic or eugenic professor arise and explain why she made such a grievous error in the personal appearance, vocal qualities, and general gestures of the learned judge, astute politician and hopeful statesman, Hon. J. Woodworth-Granger and Mr. James Gollop, perigrinating drummer for a chocolate house. Either the Honorable Judge should have been a commercial traveler, or the commercial traveler a judge. Outwardly they could have passed for specimen twins, given handicaps to all comers, and easily won the blue ribbon. Inwardly their characteristics were as different as those of any two animals could be, the Judge having the ponderous gravity of a camel, whilst Mr. James Gollop was as sedate as a monkey and twice as ebullient. The Judge suffered from a prodigious sense of responsibility and dignity, whilst his double was given to frivolities, a distressing sense of the ridiculous and was as irresponsible and happy as a flea hurdling from one boarding house to another in a dog pound.
