Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.As this-The Captain s Toll-Gate-is the last of the works of Frank R. Stockton that will be given to the public, it is fitting that it be accompanied by some account of the man whose bright spirit illumined them all. It is proper, also, that something be said of the stories themselves; of the circumstances in which they were written, the influences that determined their direction, and the history of their evolution. It seems appropriate that this should be done by the one who knew him best; the one who lived with him through a long and beautiful life; the one who walked hand in hand with him along the whole of a wonderful road of ever-changing scenes: now through forests peopled with fairies and dryads, griffins and wizards; now skirting the edges of an ocean with its strange monsters and remarkable shipwrecks; now on the beaten track of European tourists, sharing their novel adventures and amused by their mistakes; now resting in lovely gardens imbued with human interest; now helping the young to make happy homes for themselves; now sympathizing with the old as they look longingly toward a heavenly home; and, oftenest, perhaps, watching girls and young men as they were trying to work out the problems of their lives. All this, and much more, crowded the busy years until the Angel of Death stood in the path; and the journey was ended.
